Dear Mrs. Manley:

I have been in touch with Ida Bailey and she says she will be only too glad to sing the National Anthem at the opening game of the Eagles. In as much as it is not a concert, she said that her services will be donated( that is if you wish her) and the only thing she would expect would be her fare from Vaux Hall to the park and back.

If you could give me a ring Thursday night at the Neighborhood House so that I might know about the other matter (Drum and Bugle Corps) I shall be able to tell the group at rehearsal on Friday night.

Hoping for you a very successful year,  
I am

Sincerely yours,

*Loyal C. Medley*
